Joni & Rich:

Due to the size restrictions of your server this will be sent in parts. I'm unsure as to the limitation of your system so I will notify you at the end point/final.

First is the draft 1900-55s.

Due to the limited activity so far on the site RCMS is still in draft. Therefore the FCA sent the back-up only. Attached is the pertinent data from personnel, OFC and the overall IOL.

Limited excavation did not begin until 8/4/15 with the incident occurring 8/5/14.
